Spring Carnival Special

WHAT YOU NEED BEFORE MELBOURNE CUP!

## HEEL GENIUS!

What a revelation! Whoever invented these fabulous, completely invisible and removable electro static heel-covers to stop lovely new heels ever being sacrificed to the grass gods again at summer lawn parties is an angel. Get yours at [www.heelangels.com](http://www.heelangels.com) \$9.95 per pack including postage.

A glass of Pink

We are loving **Zibibbo Rosa** from Brown Brothers, a fresh, sparkling wine that's a gorgeous pale pink colour. Zibibbo Rosa smells like delicious summer fruits with hints of strawberries and watermelon on the palate. Lovely. And you should see their vineyards at [www.brownbrothers.com.au](http://www.brownbrothers.com.au)
