SUNNIES SOLUTION

Q I love aviator sunglasses but I can't find a great pair. The frames are huge and they're all too expensive. Are there any others about?

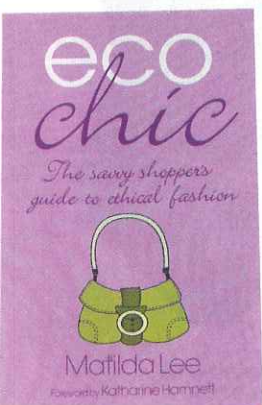

A We've found two great pairs from ROC Eyewear. Merc (below) is a subtle, metal-frame aviator perfect for everyday wear, \$69.95. Spencer (at bottom) has a plastic frame, is no bigger than a classic pair of sunnies, but still has that aviator shape, \$59.95. Fabulous for swanning by the pool. Call (02) 9310 7261 for stockists.

ECO CHIC

►► We're loving **Eco Chic** by Matilda Lee (Gaia, \$24.95), a great read that shows how you can reduce your impact on the planet by being an eco-friendly fashion shopper.

HEEL ANGELS

►► Now here's a clever idea for protecting your expensive heels. **Heel Angels** are transparent electrostatic PVC strips that wrap around the heels of your shoes (no adhesive required) to protect against scuffs and stains. They're \$9.95 a pack. Go to www.heelangels.com to buy online or find your nearest stockist.
